Housing Navigation Project

Project Overview

- DCA Innovation Grant
- 18-month Project Beginning January 2022
- Goals

Bridge a gap that will bring greater access to affordable housing to those most economically challenged in New Jersey.

Aims to strengthen services that connect people with available housing and the capacity for program coordination throughout the state.
Housing Navigation Project

The project encompasses a three-part approach:

○ **Phase 1: Best Practice Research**

  Housing Navigation Best Practices Report, Library and Toolkit based on both nationwide and local research. Focus Groups to examine barriers to service delivery through the eyes of people with lived experience.

○ **Phase 2: Multi-sector stakeholder collaborative**

  Develop stakeholder collaborative to examine research in effort to identify promising innovations and develop guidelines that will improve service delivery.

○ **Phase 3: Implementation for Sustainable Change**

  Develop and implementation strategy and recommendation for sustainable change that include funding, reporting and training.
